

RIDGEWAY PRIMARY ACADEMY

Equality Policy

Why we have developed this Equality Policy

This Equality Policy for Ridgeway Primary Academy brings together all previous policies, schemes and action plans around equality including those that we had previously for Race, Gender and Disability. It includes all the protected characteristics covered under the Equality Act 2010 as well as other aspects which have the potential to discriminate against or to devalue any individuals within our community. We are further committed to the development of cohesive communities both within our school's physical boundaries and within our local, national and global environments. Our school embraces the aim of working together with others to improve children's educational and wellbeing outcomes, and notes the rights set out in the UN Convention on the Rights of the Child.

Our Equality Policy is inclusive of our whole school community – pupils, staff, parents/carers, visitors and partner agencies

The purpose of this Policy is to set out how our practice and policies have due regard to the need to:

- eliminate discrimination, harassment and victimisation
- advance equality of opportunity, and
- foster good relations between groups.

It explains how we aim to listen to and involve pupils, staff, parents and the community in achieving better outcomes for our children and young people.

Our school within the wider context

The national demographic presents an ever-changing picture in terms of age, ethnicity, disability and social deprivation.

Within Ridgeway Primary Academy, the majority of children come from a White British background and the majority of children speak English as their first language. 6% of children have a special educational need. There are 138 boys and 136 girls. The children who attend Ridgeway Primary Academy are from the town and suburbs of Market Harborough. They are from a range of social backgrounds and from a mix of privately owned homes and social housing. Currently 9% of pupils are in receipt of the pupil premium. From January 2019, the governing body will also run a Breakfast club, which will fall, under the scope of this policy.

Overall aims of our Equality Policy

- To eliminate discrimination, harassment and victimisation.
- To promote equality of access and opportunity within our school and within our wider community.
- To promote positive attitudes to difference and good relationships between people with different backgrounds, genders, sexual orientation, cultures, faiths, abilities and ethnic origins.

To ensure that equality and inclusive practice are embedded across all aspects of school life the Equality Policy refers to the UN Convention on the Rights of the Child, which includes recognition of a range of educational, wellbeing, and material outcomes (1).

Issues relating to adults within the school community can be embraced under these themes and reflected in the action plan.

Our approach

We seek to embed equality of access, opportunity and outcome for all members of our school community, within all aspects of school life.

We actively seek out opportunities to embrace the following key concepts:

- Shared Humanity. Identifying commonality and shared values, aspirations and needs underpins our approach to equality. We value our fundamental similarities and universality.
- Valuing difference and diversity. We appreciate the richness within our differences and look for ways of celebrating and understanding them better.
- Interdependence, interaction and influence. We recognise that, as they evolve, distinct cultures, beliefs and lifestyles will impact on and inform each other.
- Social cohesion within our school and within our local community.
- Excellence. We aim to inspire and recognise high personal and collective achievement throughout our community, the UK and the wider world. Excellence is to be found everywhere.
- Personal and cultural identity. We will provide opportunities to explore and value the complexity of our personal and cultural identities.
- Fairness and social justice. We will develop our understanding of the inequality that exists in society and explore ways of individually and collectively promoting a more equitable society.

Our vision statement about Equality

Ridgeway Primary Academy seeks to foster warm, welcoming and respectful environments, which allow us to question and challenge discrimination and inequality, resolve conflicts peacefully and work and learn free from harassment and violence.

We recognise that there are similarities and differences between individuals and groups but we will strive to ensure that our differences do not become barriers to participation, access and learning and to create inclusive processes and practices, where the varying needs of individuals and groups are identified and met. We therefore cannot achieve equality for all by treating everyone the same. We will build on our similarities and seek enrichment from our differences and so promote understanding and learning between and towards others to create cohesive communities.

Our duties

We recognise and accept our equality duties as set out in the Equality Act 2010 and have sought to involve the whole school community in the process in order to ensure better outcomes for all (2). We have due regard to the need to ensure that persons with a protected characteristic are not disproportionately, negatively impacted as a result of our decision or policy making. We positively foster good relations between different groups of pupils and the wider school community.

We will consider whether to provide auxiliary aids that are directly related to disabled children's educational needs as a reasonable adjustment, particularly where the child is not provided for under an EHC plan/SEN support plan, or where the plan does not provide the auxiliary aid or service.

We are also guided by the United Nations Convention on the Rights of the Child (3).

We will ensure we identify opportunities for promoting our vision, the key concepts and our duties on equality legislation across all aspects of school life, including the provision of extended services.

These opportunities are likely to include all or some of the following, dependent on our current priorities.

- the engagement, participation and involvement of a broad and diverse range of children, young people, their parents and partner agencies
- preparation for entry to the school
- school policies
- breaks and lunchtimes
- the provision of school meals
- interaction with peers
- opportunities for assessment
- behaviour management approach and sanctions
- school clubs, activities and school trips
- the school's arrangements for working with other agencies
- preparation of pupils for the next phase of education
- learning and teaching and the planned curriculum

Our Staff

We comply fully with legislation which protects our staff (including teachers, teaching assistants, supervisors and student teachers) from discrimination based on the protected characteristics. With regard to disability, we make such reasonable adjustments as are necessary to prevent a disabled person being at a substantial disadvantage in comparison with people who are not disabled.

This includes discrimination in relation to recruitment, terms and conditions, promotions, transfers, dismissals, training and employment practices (such as dress codes) and disciplinary procedures. In accordance with the Equality Act, we do not enquire about the health of an applicant until a job offer has been made (4).

We will ensure the safety and well-being of our staff and take seriously and act on incidents of harassment and discrimination recognising that our staff may be either victims or perpetrators.

We interpret our duties positively; take the necessary actions to remove barriers to inclusion and work hard to ensure a safe, positive and inclusive environment.

(4) Unless the questions are specifically related to an intrinsic function of the work - for example ensuring that applicants for a PE teaching post have the physical capability to carry out the duties.

Responding to hate or prejudice-based incidents and bullying

We recognise that hate incidents or prejudice –based bullying behaviour is driven by negative assumptions, stereotypes or misinformation. These are then directed against an individual or group, based on difference (real or perceived), and linked to, for example, racism, homophobia, negative views of disabled people or sexism. We will take action to prevent, challenge and eliminate any such behaviour.

We recognise that we as individuals and society often struggle with difference of any kind (perceived or actual), which can result in seizing upon the most visible sign of difference e.g. skin colour or disability.

Through our school ethos and curriculum, we want our pupils to understand better the diversity that exists in society. We want to provide opportunities for them to explore the subtleties and complexities in order to prevent and respond to incidents and situations. We will address the experience,

understanding and needs of the victim, the perpetrator, bystanders and the wider school community through our actions and responses.

We will record all hate incidents and prejudice based bullying. We will use this information to identify trends and patterns, so that we have approaches in place to provide appropriate responses in terms of support for victims and their families, sanctions and support for perpetrators and their families and education for our children, young people and communities.

Implementation, monitoring and reviewing

This policy was reviewed Autumn 2018. It will be actively promoted and disseminated.

Implementation, monitoring and review are the responsibility of the Executive Head teacher/Head of School and governors who have agreed and published this policy which sets out our priorities and supports these with specific and measurable objectives.

We will report annually on the policy and analyse whether our policy and related objectives have furthered the aims of the general equality duty and in particular educational outcomes for all within our school community with reference to the protected groups.
