<p>The PE and sports funding has contributed to the provision of high quality PE and sport at Ridgeway Academy. Pupil's have been participating in 2 hours of quality curriculum PE each week, with some KS2 classes participating in more physical activity through the golden mile. The children have taken part in various sporting competitions and achieved some great successes, particularly in the 5/6 dodgeball with the team finishing in first place and a highest ever finish at Area Athletics of 5th place. The children's self confidence and self esteem has also improved as the year progressed which is reflected in their physical performance.</p> <p>Coaching sessions: The coaching sessions have had a positive impact on the high quality PE that the children have observed. The children are able to talk about PE in a positive manner, and describe what they have learned using the correct vocabulary. A great many children accessed archery as a curriculum subject and thoroughly enjoyed it.</p> <p>Forest School has been set up and enjoyed by children in Reception.</p> <p>Extra curricular: There have been many opportunities for children to take part in competitions and events during the school year.
